

Dear Parents,

17/03/2020

PAIS continues to follow the Thai Government's regulations to help keep our students safe. If the decisions is made by the Thai Government to temporarily close schools; PAIS will follow their guidelines but continue to keep our student's learning moving forward with online classes.

Platforms for Daily Use:

- K-5 will use **Active school** for attendance, communication and for assignments. **Zoom app** will be used for the face to face conference, daily learning engagements and parent interactions.
- G 6-12 will use **Managebac** for the assignments and for the attendance, for their daily learning engagements. All teachers will use **Google hangouts, Zoom or Google meeting** to provide one daily video conference opportunity for up to 40 minutes .
- **Email, Zoom and Google hangout** will be used for communications between staff.
- **Email, Active school & Managebac** will be used to communicate formally with parents.
- Students will continue to use these platforms for all daily lessons. They must have access to a computer on any electronic device of their choice.

Expectations for Teaching and Learning:

- Teachers will be available online from 8 am-3 pm, parents and students can communicate with the teachers via email or any other selected media outlets if there are any concerns or questions.
- Parents and students can check the current units for the lessons with their teacher, in Active school or Managebac.
- Students in KG will follow the attached special schedule for the online learning purpose only.
- Students from Grade 1-12 will follow their class schedule for online learning purpose.
- Teachers will not exceed 3 video lessons a day for students. The lesson durations are as follows:
 - 15 minutes for students in KG,
 - up to 20 minutes for students in G 1-3,
 - up to 30 minutes or longer for students in G 4-12

Software's to be downloaded by the parents/students

- <https://zoom.us/signup>

Dear PAIS Parents,

17/03/2020

Due to the Thai government's announcement, PAIS will be closed for 15 days starting as of Wednesday, 18th March. The government will further assess the situation and we will notify you when there are any updates.

Online classes will begin from 8:10 am from tomorrow, 18th March until 2:45 pm., teacher's instructions and assignments will be available on Gmail, Zoom, and Active School for the KG –Grade 5 and Gmail, Zoom, and Managebac will be used in Grade 6-12 classes.

Mid-term exams for Grade 4-12 will resume when the school reopens.

If you need help with anything, please call the front office, and department secretaries. For further assistance, email teachers, or department coordinators.

Best regards,

Dr. Husni Hamad
Chairman/HOS
